

New Broker Automation Features

Awery Automated Charter Quotes process on Client and Operator Portals

Client's Request can be received and processed from:

E-mail

Captured by Mail tool - here the quote can be created, linked to request and replied from Awery directly.

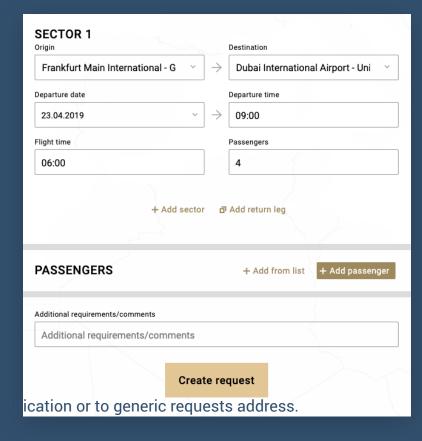

Broker's Web-site

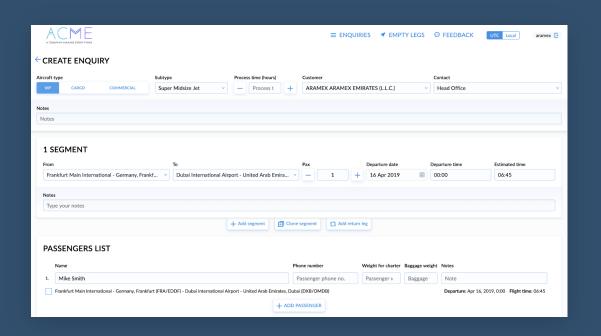

Client will be automatically linked or created based on email or customer name

Enquiries Portal

Broker receives email notification for a new quote (notification contains the full information about Route, Passengers, Client's details) and homepage widget notification (coming soon)

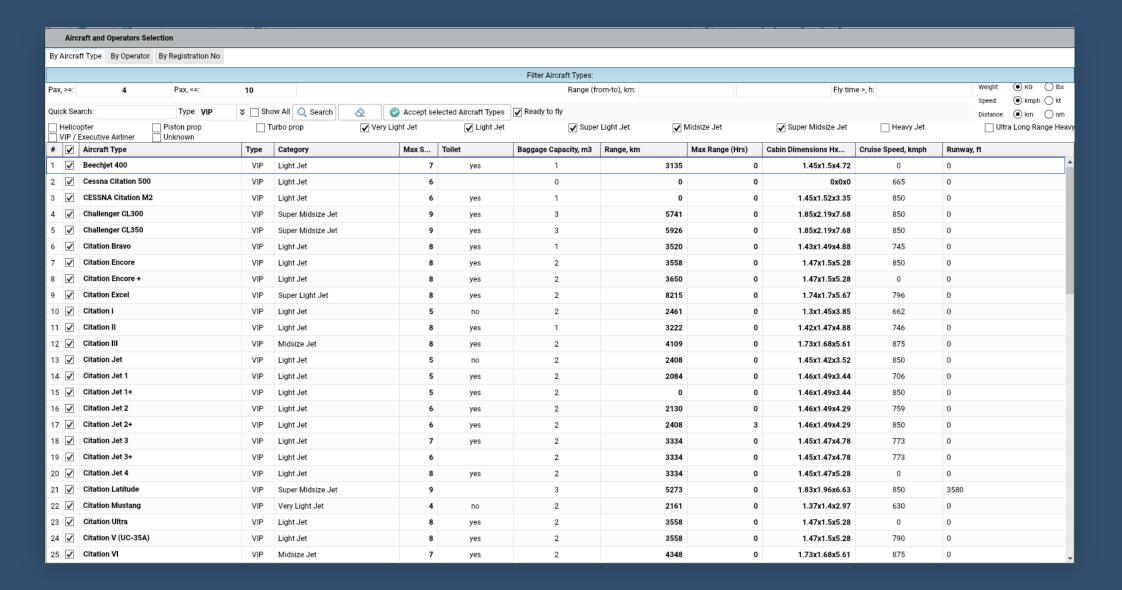

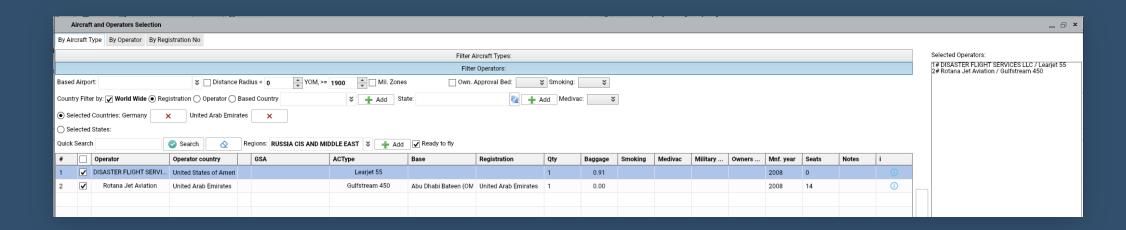

Broker selects corresponding
Aircraft types for quote based
on multiple filters of aircraft type

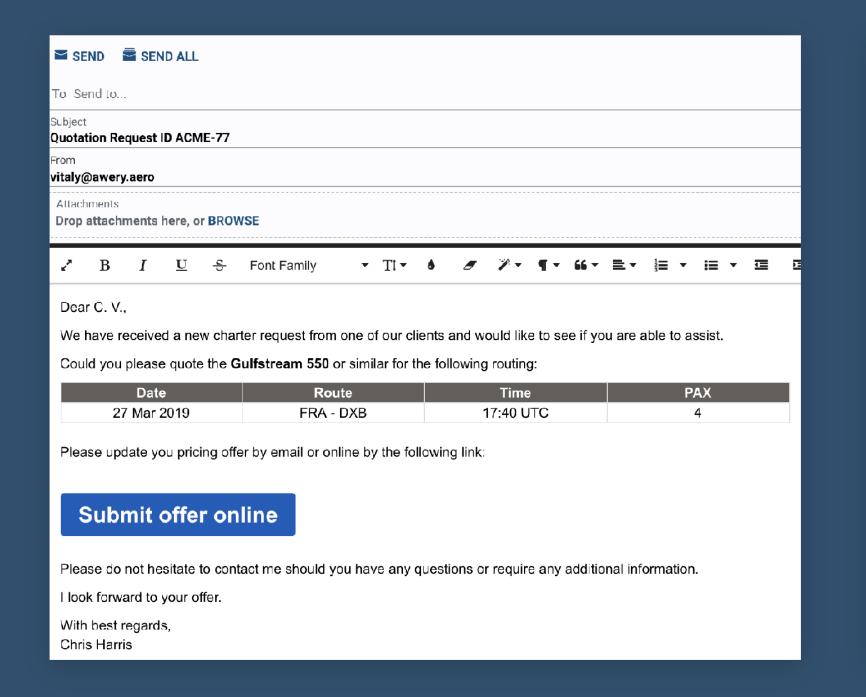

Broker selects Operators based on multiple filters - like aircraft base, country of registration, year of manufacture etc

Brokers send Operator request emails

Each individual mail will have a unique secured link to submit Offer directly

Dear Constellation Aviation Services,

We have received a new charter request from one of our clients and would like to see if you are able to assist.

Could you please quote the A318 Elite, Global Express or similar for the following routing:

Date	Route	Time	PAX
27 Mar 2019	FRA - DXB	17:40 UTC	4

Please update you pricing offer by email or online by the following links:

Offer for A318 Elite

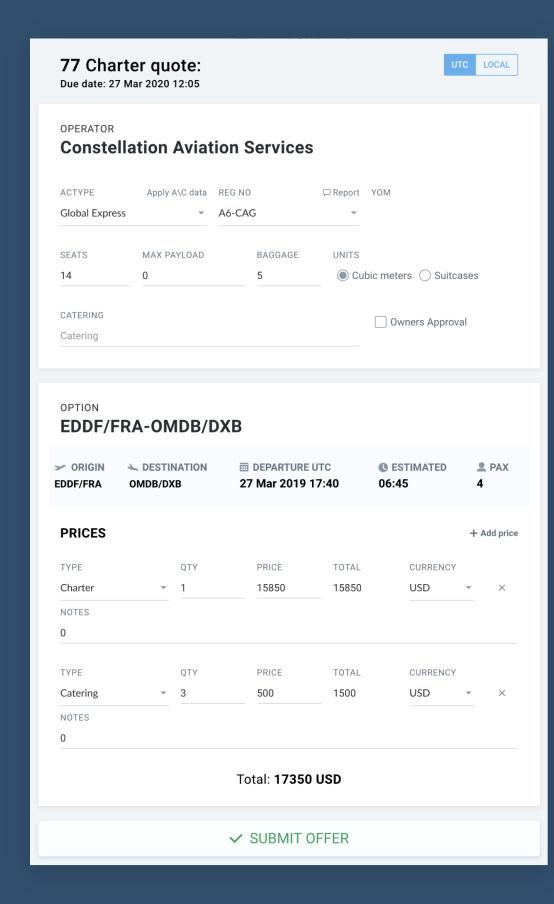

Offer for Global Express

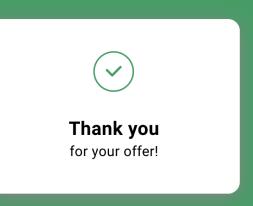

Please do not hesitate to contact me should you have any questions or require any additional information.

I look forward to your offer.

With best regards, Chris Harris By the encoded secured link in Email
Operator can submit pricing and attach
offer files directly online (coming soon)
- > with no hassle of logins and
credentials for access.

Note: Link is valid only if Enquiry status equals NEW and time for process hours (if set) has not yet expired

Once Price is submitted - notification will be sent to Enquiry Broker or generic group email, also it will be displayed on homepage widget (coming soon)

*Coming soon: For process automation Awery will have a feature for auto margin based on client group rules and cost of the charter, sample - if charter costs more than 3000 USD customer in group "Platinum" gets auto margin in amount of 300 USD.

Broker can set the margin himself for all responded Operators' offers and marks the Enquiry with status QUOTED.

Then Broker sends an email to Client with Offer details and link to review quote online.

Sample of Broker's notification when Operator submits price

Price confirmation for Enquiry 77 from operator Rotana Jet Aviation

Operator Rotana Jet Aviation have confirmed the following prices

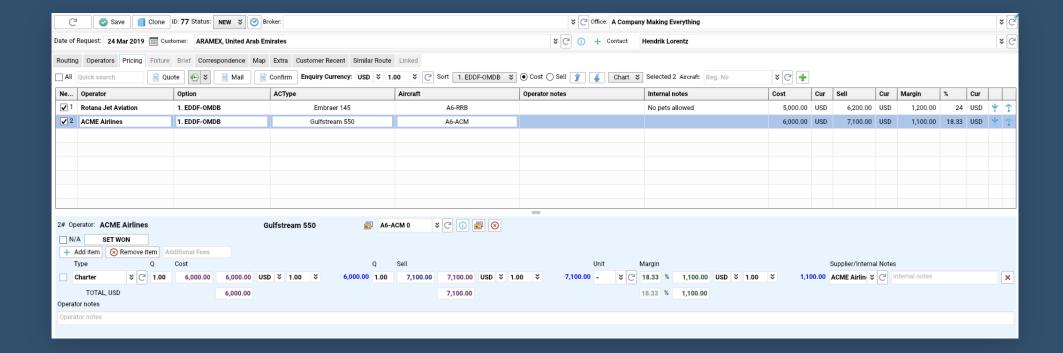

A/C Type: Embraer 145

Registration Number: A6-RRB

Route 1:

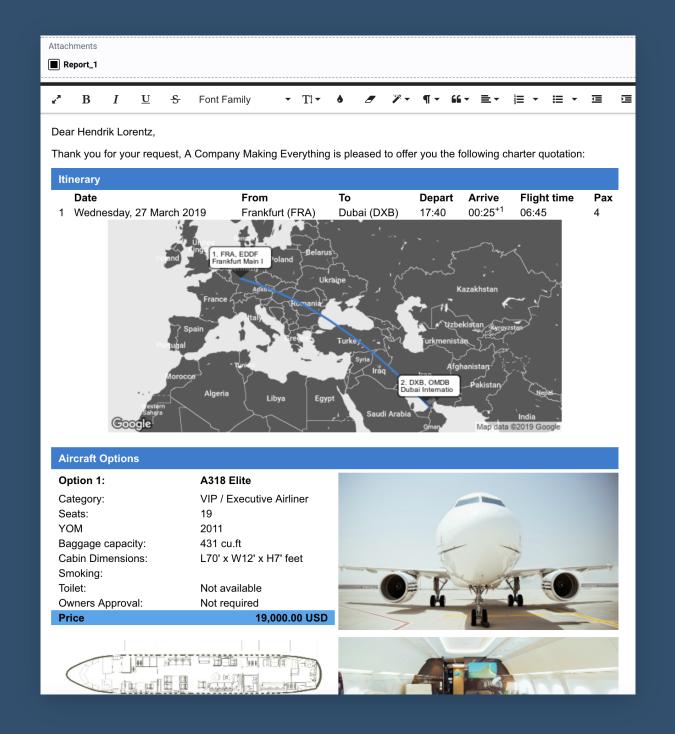

FRA-DXB

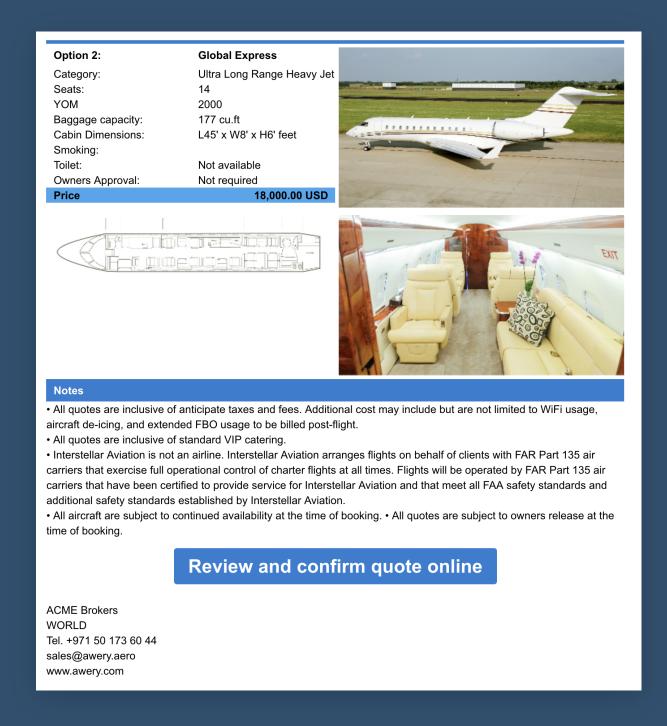

1) Charter Qty: 1.00 Price: 5000.000 USD Total: 5000.00 USD

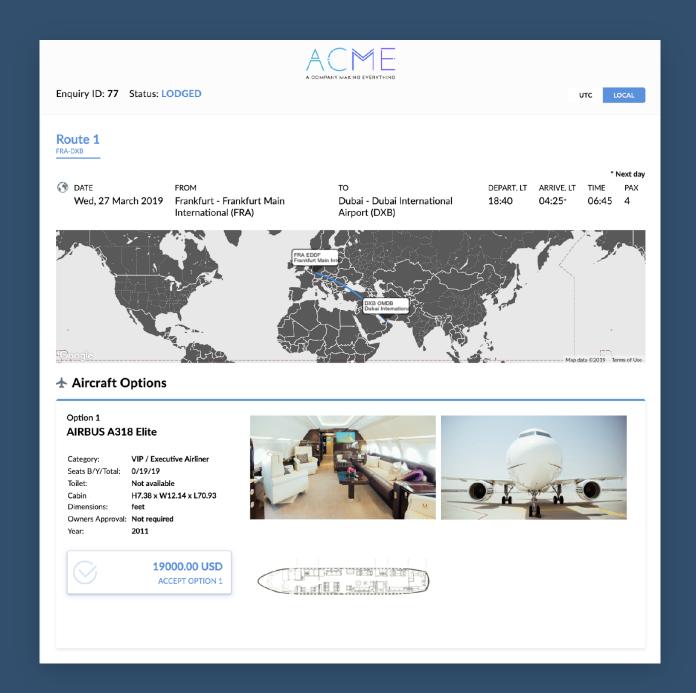

Awery new tool allows to generate Email with route map and aircraft pictures by secured links.

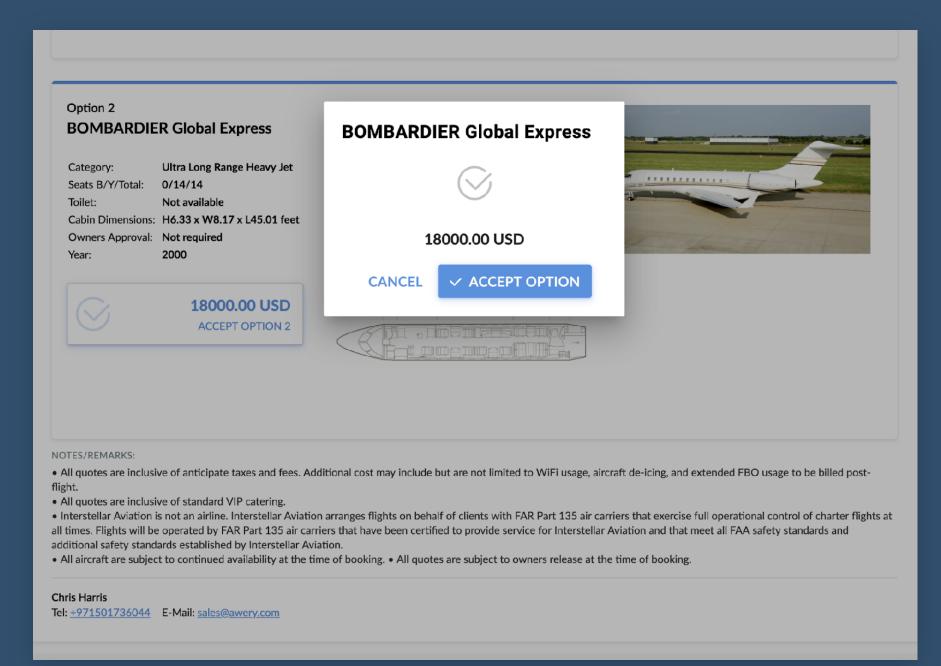

Such Emails contain all details replicating PDF quotes - which is adaptive for desktop and mobile email applications

Customer reviews and confirms quote online on Enquiries portal or following the link received in Broker's Quote email

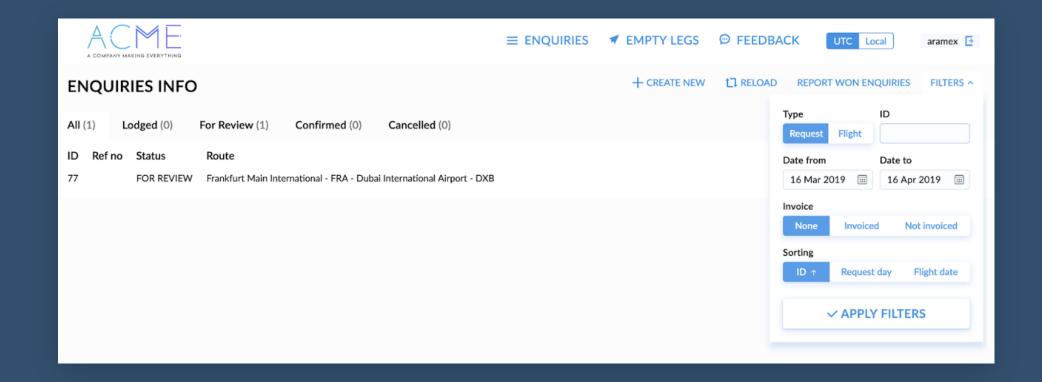

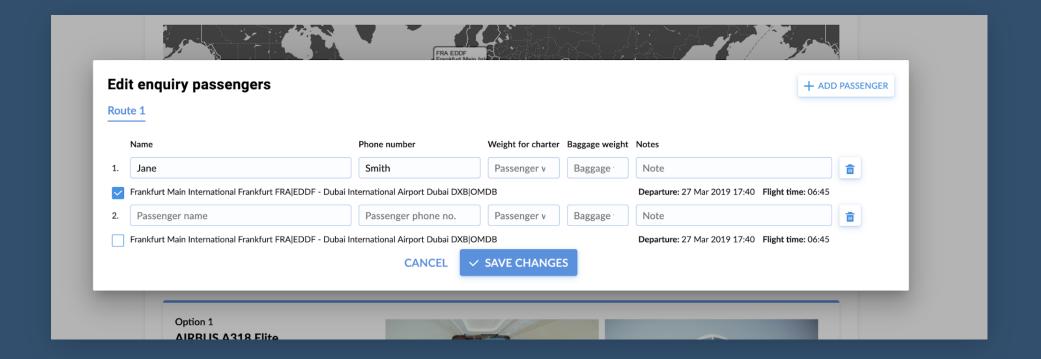

Client can also check Quote and approve it on Client Portal

Once Client confirms a specific Quote all operators get email notification whether the offer is approved or declined.

As the result Broker receives email notification on Quote acceptance and proceeds with it. Sample is applicable for VIP, Commercial and Cargo Quotes.

New Awery Processes allow to automate and make digitally a lot of steps in charter brokerage:

- Operator submits prices on quotes by link (no login required)
- Customer can review quote and accept quote by link (no login required)
- Links are mobile friendly and can be opened on any device/browser
- Dedicated Operator portal allows to review and submit quotes, update fleet details and documents - to match with compliance requirements
- Dedicated Client Enquiries portal allows to create, review and accept quotes requests, edit passenger details, generate brief and pay online for charter
